Dr. Max Delbrück  
Kerckhoff Laboratories  
California Institute of Technology  
Pasadena, California

Dear Max,

At the present time I am working on my  
manuscript for the Harvey Lecture in which I would  
like to refer to your mutual inhibition idea. Will  
you please give me the reference, or just the journal  
name if you don't have a full reference, of the paper  
in which you discuss this idea?

With very best regards,

Cordially,

TMS:et
